What I Can't Remember

Andy Fite

Verse, freely

Mem or - y is a pre-cious thing, the dance we danced and the songs we'd sing. But

now when I'm re - mem-ber - ing, there's one thing at least I can't re - call: the

one thing I think I'm mis-sing most of all.

Chorus, lazy swing

I re-mem-ber the can-dles you lit. I re-mem-ber that hard-wood floor, and

I re-call a mild sur-prise when first I looked in - to your eyes and

saw and that's what I can't re-mem-ber.

I re-mem-ber the taste of your lips, I re-mem-ber your bed-room door, and
